IT'S *more* THAN JUST
DILUTION CONTROL.

IT'S YOUR SOLUTION.

We understand your need for innovative solutions that simplify the cleaning process for you and your crew. It's why we created the Easy Dilution Solution (EDS), Midlab's dilution control system.

EDS is an easy-to-use, hand-held solution that solves common cleaning problems, such as product misuse, wasted resources, and reduced efficiency. By requiring no installation or opportunity for error in chemical calculation, EDS saves you valuable time and money.
