

# MIDLAB<sup>®</sup> for SCHOOLS

*Because Clean Schools Keep  
Students Safe & Healthy*

Your partner in  
**CLEANING & SAFETY**

You know as well as we do that clean schools keep students safe and healthy. Creating new solutions that help keep everything clean for you and your students is what makes Midlab an innovative industry leader.

**We understand your need for a simplified cleaning process for your janitorial team.** As well as the importance of easy-to-understand, and innovative training solutions. With Midlab, cleaning your school and training your team will be as easy as ABC...

**A MAXIM FACILITY+™**

**Our exclusive ONE-STEP cleaner, disinfectant, and deodorant.**

Designed with schools in mind, Facility+ was developed for use around students, to be tough on flu-causing germs, and efficient on your budget.

**B FLEXMAX™ PACKAGING**

**We developed the space-saving, easy-to-use FlexMax™ Packaging for maximum efficiency with all Maxim floor strippers and finishes.**

With FlexMax, you can cut down on costs and waste by ensuring every drop of product is being used all while every inch of your school's floors are perfectly maintained for your students.

**C PLUS™ LABEL SYSTEM**

**Because we truly believe your school and its students deserve the best, we created the PLUS Label System™ – our most innovative solution yet.**

This universally-understood label system revolutionizes cleaning by combating product misuse that often leads to left-behind germs. As an added benefit to you, you'll find PLUS labels on all of our Maxim-brand products.

MIDLAB  
+  
SCHOOLS =  
**(A+)**  
CLEANING

**C** Now, you know our ABC's. Together, these innovative solutions will keep your students safe from sickness and your school running smoothly.
