

LOBBY/ENTRYWAYS

As one of the most common places for residents and staff to linger, lobbies and entryways are home to many shared germs. Keep *Everything Clean* by properly cleaning and disinfecting these commonly-touched surfaces.

Key Touchpoints for cleaning include:

- 1  Door handles
- 2  Light switches
- 3  Chairs
- 4  Desk/countertops
- 5  Dispenser (hand sanitizer)
- 6  Electronics (computer, phone, etc.)
- 7  Elevator buttons (if applicable)
- 8  Trash/recycling receptacles
