Your Floor Care Program

Clean. Maintain. Restore.

Our Floor Care Program Does It All

Investing in quality floor care products and solutions now will always be more affordable than restoring floors later. That's why we're excited to share the new innovations coming to our existing Maxim® Floor Care Program!

Developed to work for you:

- ✓ **Prolong the life of your floors**
- ✓ **Make an impact on every guest**
- ✓ **Find a product that matches your budget**
- ✓ **Spend more time on other cleaning tasks**

To simplify cleaning with one innovative product line, we developed this comprehensive program using emerging technologies to help crews clean, maintain, and restore even the most resilient floor surfaces. We understand they need high-quality, high performance products to achieve multiple goals.

From super concentrated floor strippers to optically brightened floor finishes utilizing our micro-emulsion technology, there is a Maxim® Floor Care product that will meet your needs!
